Use & Care

Buenos Diyas are available in sets of four for small and two for large. Cotton wicks are included with every set.

Your Diyas may get hot with extended use. Please handle with care, and keep out of reach of children during storage and use.

We find beauty in the marks of unique character – subtle variations of grain, figure, and texture inherent in materials that deepen through use and patinate over time.

Brass surfaces are left exposed to age naturally through use. If desired, the original polish can be restored using a brass-specific cleaning agent and a soft cotton cloth.
