

Buenos Diyas
Oil Lamps

Traditional cast brass oil lamps with a contemporary expression.
The natural sand cast texture reveals variations in the process.

Use & Care

We find beauty in the marks of unique character – subtle variations of grain, figure, and texture inherent in materials that deepen through use and patinate over time.

Brass surfaces are left exposed to age naturally through use. If desired, the original polish can be restored using a brass-specific cleaning agent and a soft cotton cloth

Your Diyas may get hot with extended use. Please handle with care, and keep out of reach of children during storage and use.

For more details, please refer to our [material care guide](#).
